

What happens to my credits at the slot machine when I am done playing?

When finished playing, you may print a ticket at the slot machine for remaining credits. Any remaining winnings will be printed on a ticket at the slot machine which you may cash out at the ticket redemption machine, Casino Cashier, or use to play another slot machine. Any winnings of \$1,200 or more from a single wager will be reported on a Form W-2G that will be filed with the IRS.

How do I know my funds are secure and will not be used if my Unity Card is lost or stolen?

Your jackpot cannot be accessed without your PIN. You must keep your PIN confidential and not share it with anyone.
