# PLAYING THE GAME

## GAME BASICS

TriLux, Trilux Super, and Trilux Progressive are optional bonus bets for blackjack that considers your first two cards and the dealer's up-card. If you receive one of the listed winning three card hands, you win. Payouts and winning hands are listed separately. All TriLux wagers must be accompanied by a blackjack wager and Super Trilux must be accompanied by a Trilux wager along with a blackjack wager.

## PLAYING THE GAME

1. To begin each round, make a standard blackjack wager.
2. You may then make the TriLux Bonus wager, and some tables may offer Trilux Super Bonus or a Trilux Progressive wager.
3. The dealer then follows house procedures for blackjack.
4. Once you have your two cards, and the dealer has their cards, the dealer will settle any TriLux wagers.
