# PLAYING THE GAME

The object of DJ Wild® Stud Poker is to get a higher five-card poker hand than the dealer. The game is played with five wild cards—the four deuces and one joker. DJ Wild Stud Poker also offer the optional Trips bonus wager.

## GETTING STARTED

You make equal bets on the Ante and Blind to play the game. You may also place a bet on the Trips bonus wager.

You will then get five cards and make a decision: Fold or make a Play bet of 2x your Ante.

## WINNING & LOSING

The dealer will then reveal their five cards and announce the hand. If the dealer beats your hand, your Ante, Play and Blind bets lose. If the dealer ties your hand, your Ante, Play and Blind bets push. If your hand wins, your Ante and Play bets pay 1 to 1 and your Blind pays according to the payable. See layout for odds.

## TRIPS BONUS

The Trips bet wins if you have three-of-a-kind or better. Natural hands pay more than ones that use wild cards. Not all hands with a deuce are considered “wild.” If the deuce is not used as a wild card to make a winning Trips hand, it will be considered its natural rank. You may use the deuce as a wild card in the base game and use it as a natural for the Trips bet. See layout for odds.

Must be at least 21 years old to play Slots and Table Games. Must be 18 or older to play Bingo, Live Poker or to receive Unity benefits. Persons who have been trespassed or banned by the Seminole Tribe of Florida or those who have opted into the self-exclusion program are not eligible.
